- I. Welcome.
- II. Website Content. Team members believe it takes too much effort for a website visitor to get connected to a Foster Care agency. This needs to be streamlined. Members suggested a number of website changes to help ensure that visitors are quickly linked to Foster Care agencies that are in their specific community. Staff reported that a statewide Foster Care Agency map is being added to the website in the coming days.
- III. Communications Plan. The Team also discussed the importance of capturing ArizonaSERVES success stories and will work on recommendations to present to the Task Force.
- IV. Issue Action Plan. Discussed above.
- V. Summit Planning. Team members will design and facilitate the Issue breakout session at the upcoming summit to ensure connections are made and attendees will leave with the tools they need to participate in Foster Care.
- VI. Upcoming Task Force meeting. The next Task Force meeting is June 17, 2011
- VII. Call to the Public: No public members were present.
- VIII. Adjourn
